WARRANTY on the use of the Product

- HMC International NV guarantees that the sold products are suitable for the use for which they are destined and comply with the mandatory standard applicable to this product. No other warranty is given.
- HMC International NV cannot be held responsible for damage caused by an incorrect installation or incorrect use of the product.
- Route and secure all cables in such a way in order to prevent damage by crushing, cutting or snagging.
- Incorrect installation, configuration or programming could result in an unsafe set-up of the wheelchair for the user. HMC International NV accepts no liability for losses of any kind, which result from such conditions.
- The healthcare professional also has to read and understand any installation and/or user manual of the wheelchair and its control system where the product is connected to.

WARRANTY on the Product

- The delivered goods have a warranty period of 24 months after date of invoicing.
- Misuse, bad handling or storage is not covered by this warranty.
- Broken cables are never accepted as warranty, except in case of a production fault.
- HMC International NV will examine the faulty product and decide if it is a warranty case or not.
- During this period of 24 months faulty goods are repaired or replaced by the HMC International NV free of charge.
- The handling and shipment costs from the customer to the HMC International NV are not covered by this warranty and will be charged to the customer.
